Rajasthan Land Revenue (Allotment of Land for Agricultural Purposes by Sinking Tube-Wells) Rules, 1969

In exercise of the powers conferred by Section 101 of the Rajasthan Land Revenue Act, 1956 (Act No. 15 of 1956) read with clause (xviii) of sub-section (2) of Section 261 and clause (b) of sub-section (1) of Sec. 260 thereof and all other powers enabling it in this behalf, the State Government hereby makes the following rules, namely—

Rule 1. Short title, extent and commencement.—(1) These rules may be called the Rajasthan Land Revenue (Allotment of Land for Agricultural Purposes by Sinking Tube Wells) Rules, 1969.

(2) They shall extend to Districts of Barmer, Bikaner, and Jaisalmer.

(3) They shall come into force at once.

Rule 2. Definitions.—In these rules, unless there is anything to the contrary in the subject or context—

(a) ‘Act’ means the Rajasthan Land Revenue Act, 1956;

(b) ‘Form’ means a form appended to these rules;

(c) ‘Government’ means the Government of Rajasthan.

Rule 3. Preparation of list of unoccupied Government Land available for allotment.—The Collector shall prepare, in consultation with the Agriculture Department, a list of unoccupied Government land in the vicinity of a tube well site which shall be available for allotment under these rules.

Rule 4. Maximum area to be allotted.—(1) [Seventy five acres]² of land in the vicinity of a tube-well site shall be initially allotted to a private entrepreneur and after the command area of the tube well is determined by the Government to the capacity and other relevant factors, and in excess of [Seventy five acres] subject to the limit of the command area determined of a particular tube-well will be further allotted.

(2) All allotments under these rules shall be made by the Collector of the District.

Rule 5. Issue of proclamation inviting applications for allotment.—The Collector shall issue a proclamation inviting application for allotment of land for agricultural purposes by sinking tube-wells. Such proclamation shall give necessary details of the land available for allotment and shall be published in the Rajapatra and in such local or all Indian Newspapers as the Collector may decide.

Rule 6. Application for allotment.—(1) Any private entrepreneur desirous of obtaining an allotment under these rules may apply in writing to the Collector of the District in which the land is situate.

(8) It would be permissible for a private entrepreneur to sink up to five tube-wells in a contiguous or adjacent area to make the project economical.

(9) If water is not struck up to the maximum depth or if it is so saline that it is not suitable for agricultural purposes the Government would pay 1/3 rd of the cost of the unsuccessful tube-well as subsidy and resume the land:
Provided that if the allottee wants to retain the land it shall not be entitled to any subsidy and full rent for the land shall be charged from the date of the tube-well having been declared unsuccessful by the Agriculture Department.

(10) The allottee shall have to execute an agreement within a fortnight of the communication to him of the order of allotment and there after the possession of the land shall be given by the Collector.

(11) The land shall be liable to be resumed by the State Government without payment of any compensation if the allottee commits breach of any of the conditions of allotment.

Rule 12. Sinking of the Tube-wells by Khatedars.—Notwithstanding anything contained in these rules the Government may, on the recommendation of the Collector, permit a Khatedar tenant to sink a Tube-well in his holding at a site approved by the Director of Agriculture on the same terms and conditions regarding payment of subsidy as are applicable to other allottees under the rules.
