Memorandum of Association

Whereas the Revenue Department, Government of Rajasthan is mandated to implement the National Land Records Modernisation Programme, with the objectives to develop a modern, comprehensive and transparent land records management system in the state with the aim to implement the conclusive land-filing system with title guarantee, which will be based on four basic principles, i.e., (i) a single window to handle land records (including the maintenance and updating of textual records, maps, survey and settlement operations and registration of immovable property), (ii) the mirror principle, which refers to the fact that cadastral records mirror the ground reality, (iii) the constant principle which indicates that the record of title is a true depiction of the ownership status, mutation is automated and automatic following registration and the reference to past records is not necessary, and (iv) title insurance, which guarantees the title for its correctness and indemnifies the title holder against loss arising on account of any defect therein.

And whereas it is necessary and appropriate to adopt an integrated approach for improving the land records of the State and for creation of Geographical Information System for land records in the State.

Now, therefore, we, the signatories to this Memorandum, being duly authorized in these behalf, have agreed to form a society called “Rajasthan Bhil Abhihek Adivisikaran Society” (RBAA Society) and to register it under the Rajasthan Societies Registration Act, 1956.
