THE RAJASTHAN PASS BOOK (AGRICULTURAL HOLDINGS) ACT 1983

(Act No. 14 of 1983)

[Received the assent of the President on the 30th day of September, 1983]

As amended by the following: -

1. Raj. Act 17 of 1994 w.e.f. 26-10-1995;
2. Raj. Act. 16 of 1995 117-5-1995J.

An Act to provide for the issue of agricultural holdings Pass Books to enable agriculturists to have credit facilities and for matters connected therewith or incidental thereto.

¹Statement of Object and Reasons

Pass Books, containing relevant data and information regarding the lands held by agriculturists, were prepared and distributed to the majority of farmers in the State over the last decade with a view to provide them a ready record of their rights and titles, and also to facilitate the obtaining of credit facilities from the banks and other financial institutions by them.

Administrative instructions had been issued in the year 1971 for preparation and distribution of Pass Books to agriculturists; and subsequently, statutory provisions regarding Pass Books were incorporated in the relevant rules. However, it was felt that unless a firm legal base is provided to back up these Pass Books and ensure that these are kept up-to-date at all times, the courts and financial institutions will not place adequate reliance on the entries made in it and the objectives in view will not be achieved. Hence, the need arose for this self-contained legislation.

The Pass Books to be issued to the agriculturists should have firm statutory base, and should serve as a sort of record of rights of the agriculturists, and should contain not only full details of the land used by them for agriculture purposes but also contain an accurate account of the loans and credits raised by them on the security of their property. All transfers, of any part of their land, made by the agriculturists should be compulsorily entered in the Pass Books by the registering authorities and the agriculturists should be under legal obligation to produce the Pass Books before the competent authorities on such occasions.

The Pass Books are to be issued by the Revenue Officer or other Officers authorised by the State Government in this behalf, and are to be kept up-to-date. The production of Pass Book before the financial institutions shall also do away with the need of producing copies of Jamabandies and other revenue records before them.

As in the absence of Pass Books containing full details of land held by an agriculturists and of the debts and loans outstanding against him, the financial institution were facing great difficulty in giving financial assistance to the agriculturists and the problem required immediate solution, the Governor promulgated the Rajasthan Pass Book (Agricultural Holdings) Ordinance, 1983 (Ordinance No. 3 of 1983) on 29th July, 1983.

This Bill seeks to replace the said Ordinance and to achieve the above objectives].

Be it enacted by the Rajasthan State legislature in the Thirty-fourth Year of the Republic of India, as follows:-
